INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
United Way of Acadiana, Inc.
Lafayette, Louisiana

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of United Way of Acadiana, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of United Way of Acadiana, Inc. as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*; issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Way of Acadiana, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about United Way of Acadiana Inc's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we; exercise professional judgment and maintain professional skepticism throughout the audit. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of Acadiana Inc's internal control. Accordingly, no such opinion is expressed. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements. Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of Acadiana Inc's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedules of cash account balances and schedules of grant disbursements are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is also presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 17, 2025, on our consideration of United Way of Acadiana, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of United Way of Acadiana, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Way of Acadiana, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements

(1) Nature of Organization and Significant Accounting Policies

A. Organization and Purpose

United Way of Acadiana, Inc. (Organization), a nonprofit organization, was formed on October 16, 1950 pursuant to the laws of the State of Louisiana. It is a Community Impact organization serving Acadia, Iberia, Lafayette, St. Martin, and Vermilion Parishes. The objective of the Organization is to improve lives by allocating financial and volunteer resources to programs and services that provide solutions to health and human services problems in communities within the service delivery region. The Organization conducts an annual fundraising campaign for funds to be distributed to grantees in the subsequent year for community investment programs. The majority of the contributions generated in these campaigns are from the above parishes. The Organization is governed by a volunteer board of directors.

B. Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed stipulations.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that will be met, either (1) expire by incurring expenses satisfying the restricted purpose (purpose restricted), and/or the passage of time or other events (time restricted), or (2) will never expire (perpetual in nature). When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

The Organization uses the following program service categories for reporting purposes:

Community Impact – Includes grant-making, advocacy, agency evaluation, monitoring, research and development of internal expertise on the focus areas of Education, Earnings, and Essentials, and support for the Dolly Parton Imagination Library Program, Earn Save Succeed Program, Leader in Me Program, and the United Way Readers Program.

Disaster Management – Support for rebuilding efforts as part of the short term and long term recovery activities set forth by the Organization related to hurricanes, tornadoes, floods, and/or other natural disasters. Additionally, facilitates disaster preparedness and response through Volunteer Organizations Active in Disaster (VOAD).

UNITED WAY OF ACADIANA, INC.

Notes to Financial Statements (Continued)

Early Head Start – Serves families with children from birth to three years of age and pregnant women residing in Vermilion Parish and Lafayette Parish, with the emphasis on the 70501, 70503, 70506, and 70507 zip code areas. The program provides high-quality early childhood education that enhances participating children’s physical, social, emotional, and intellectual development through both home-based and center-based services. The program also assists parents in moving towards self-sufficiency.

Other Programs – Support for system-wide programs including Multi-tenant Facility, volunteer recruitment, and referral and management.

C. Cash and Cash Equivalents

The Organization considers all unrestricted highly liquid investments with an original maturity of three months or less at the date of acquisition to be cash equivalents.

D. Provision for Uncollectible Pledges

The provision for uncollectible pledges is computed based on a ten year average adjusted by management’s estimate of current economic factors, applied to individual campaigns, including donor designations.

E. Investments

The Organization has adopted FASB ASC subtopic 958-320, “*Not-for-Profit Entities-Investments-Debt and Equity Securities*.” Under FASB ASC Subtopic 958-320, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the statement of activities.

F. Property and Equipment

The Organization’s capitalization policy is \$5,000 for property and equipment recorded at cost, if purchased, or at estimated fair market value if donated. Donations of property and equipment are recorded as contributions at their estimated fair value. Depreciation is computed using the straight-line method over the following estimated useful lives:

	Years
Buildings and improvements	15 - 39
Office equipment and furniture	2 - 5

G. Revenue and Expense Recognition

Contributions are recognized when the donor makes a commitment to give and are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions designated for future periods or restricted by the donor for specific purposes are reported as increases to net assets with donor restrictions. Pledges that are designated by the donor for specific beneficiaries are considered agency transactions, and are not considered contributions and thus are reduced from pledge revenue.

UNITED WAY OF ACADIANA, INC.

Notes to Financial Statements (Continued)

The Organization adopted Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606). The guidance outlines a single, comprehensive model for accounting for revenue in exchange transactions from contracts with customers. The Organization's revenue derived from exchange transactions are service fees charged to third party beneficiaries for fundraising, certain administrative functions, and the collection of funds on their behalf. Third parties receive the funds raised on their behalf by the Organization, net of service fees charged. The Organization applied Topic 606 to its revenue derived from exchange transactions as follows:

Transaction price- The transaction price of service fees is based on a percentage of the amount of funds raised for the third party and includes an administrative fee, a fundraising fee, and a collection fee.

Performance obligations- The Organization has identified the following performance obligations in exchange transactions: (1) administrative services including accounting for and processing donor pledges; (2) fundraising services to obtain donations; and (3) collection of donor pledges for third parties. The Organization applies the principles of materiality in the determination of the performance obligation.

Service fee revenues are recognized over the time in which the performance obligations are met. Expenses are recognized in the period incurred in accordance with the accrual basis of accounting.

H. Functional Allocation of Expenses

Expenses are summarized and categorized based on their functional classification as either program or supporting services. Specific expenses that are readily identifiable to a single program or activity are charged directly to that function. Certain categories of expenses are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation and occupancy, which are allocated on a square-footage basis, as well as salaries and related benefits, which are allocated on the basis of time and effort.

I. Income Taxes

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service (IRS) as other than a private foundation. Accounting principles generally accepted in the United States of American require the Organization's management to evaluate tax positions taken and recognize a tax liability (or asset) if the Organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Organization, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclose in the financial statements. The Organization is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

UNITED WAY OF ACADIANA, INC.

Notes to Financial Statements (Continued)

J. Compensated Absences

The Organization allows employees paid vacation, sick days, and personal days off, depending on job classification, length of service, and other factors. Upon separation, employees that are approved carryover days are paid for any unused vacation through the date of separation at their current rate of pay. At December 31, 2024 and 2023, the accrued compensated absences amounted to \$11,811 and \$8,736, respectively.

K. Advertising

Advertising costs are expensed as incurred. Total advertising expense was \$78,960 and \$24,792 for the years ended December 31, 2024 and 2023, respectively.

L. Donated Materials and Services

The Organization receives a significant amount of donated materials and services from unpaid volunteers who assist in program services during the year. Some donated services are not reflected in the statement of activities because the criteria for recognition under professional standards have not been satisfied; however, these services are valuable to the Organization's programs. For the year ended December 31, 2024, the Organization had 891 volunteers who provided 19,174 hours of donated services valued at \$525,168. For the year ended December 31, 2023, the Organization had 838 volunteers who provided 17,008 hours of donated services valued at \$447,738. The value of these donated services was not reflected in the statement of activities.

Donations meeting the criteria for recognition are recorded at estimated fair value as follows:

	<u>2024</u>	<u>2023</u>
Program services:		
Early Head Start-		
Materials	\$10,078	\$21,229

M. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Notes to Financial Statements (Continued)

(5) Donor-Restricted Endowments

The Organization's endowment consists of three funds established for specific purposes. These funds are donor-restricted funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law - The Board of Directors of the Organization has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the perpetual endowment, (b) the original value of subsequent gifts to the perpetual endowment, and (c) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Investment Return Objectives, Risk Parameters and Strategies - The Organization has adopted an investment policy, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The Board of Directors of the Organization has interpreted SPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. As of December 31, 2024 and 2023, the Organization did not have underwater endowments.

Endowment net asset composition by type of fund as of December 31, 2024 and 2023 is as follows:

December 31, 2024:

	Without Donor Restrictions	With Donor Restrictions	Total

(13) Retirement Benefits

Under a defined contribution 403 (b) retirement plan, the Organization matches up to 3% of eligible employee's salary. For the years ending December 31, 2024 and 2023, the Organization made contributions in the amount of \$43,956 and \$41,599, respectively.

(14) Fair Value Measurements

Professional standards require the disclosure for fair value measurements of financial assets and liabilities and for fair value measurements of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. The standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

UNITED WAY OF ACADIANA, INC.

Notes to Financial Statements (Continued)

The three levels of inputs used to measure fair value are as follows:

- a. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b. Level 2 inputs are observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- c. Level 3 inputs are unobservable inputs for the asset or liability.

The following methods and assumptions were used by the Organization in estimating fair values of financial instruments:

- a. The carrying amount reported in the statement of financial position for the following approximates fair value due to the short maturities of these instruments: cash, receivables, and payables.
- b. The fair value for investment securities are based on quoted market prices at the reporting date multiplied by the quantity held. The carrying value equals fair value.

The following table presents assets that are measured at fair value on a recurring basis at December 31, 2024 and 2023:

Investment Type	December 31, 2024			
	Total	Level 1	Level 2	Level 3
Equities	\$ 2,102,736	\$ 2,102,736	\$ -	\$ -

	<u>\$ 3,750,332</u>	<u>\$ 3,750,332</u>	<u>\$ -</u>	<u>\$ -</u>

	<u>\$ 3,312,187</u>	<u>\$ 3,312,187</u>	<u>\$ -</u>	<u>\$ -</u>

(15) Concentration of Credit Risk

The Organization maintains cash balances at financial institutions, which at times may exceed federally insured limits. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At December 31, 2024 and 2023, the Organization's cash balances exceeded FDIC coverage by \$2,289,968 and \$1,338,467, respectively.

Notes to Financial Statements (Continued)

(16) Commitments and Contingencies

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Organization expects such amounts, if any, to be immaterial. Also, a liability for findings and questioned costs is not established until final disposition of such matters by the funding agency.

(17) Risk Management

The Organization is exposed to risks of loss in the areas of health care, general liability, property hazards and workers' compensation. All of these risks are handled by purchasing commercial insurance coverage. There have been no significant reductions in the insurance coverage during the year. Insurance settlements have not exceeded insurance coverage the past three years.

(18) Compensation, Benefits, and Other Payments to Agency Head

A schedule of compensation, benefits, and other payments to agency head, Heather Blanchard, President/CEO, follows:

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
United Way of Acadiana, Inc.
Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the United Way of Acadiana, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2024, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 17, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the United Way of Acadiana, Inc.'s (Organization) internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the United Way of Acadiana, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

United Way of Acadiana, Inc.'s Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on United Way of Acadiana, Inc.'s response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. United Way of Acadiana, Inc.'s response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suited for any other purpose. Although the intended use of this report may be limited, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE

To the Board of Directors of
United Way of Acadiana, Inc.
Lafayette, Louisiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited United Way of Acadiana, Inc.'s (Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2024. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program for the year ended December 31, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulation Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibility under those standards and the Uniform Guidance are further described in the Auditors Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of United Way of Acadiana and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of United Way of Acadiana, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to United Way of Acadiana, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on United Way of Acadiana, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about United Way of Acadiana, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we exercise professional judgment and maintain professional skepticism throughout the audit. We identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding United Way of Acadiana's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances. We obtain an understanding of United Way of Acadiana, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of United Way of Acadiana, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items 2024-001 and 2024-002. Our opinion on each major federal program is not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on United Way of Acadiana, Inc.'s response to the noncompliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. United Way of Acadiana, Inc.'s response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be material weaknesses and significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2024-003 to be a material weakness.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2024-004 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on United Way of Acadiana, Inc.'s response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. United Way of Acadiana, Inc.'s response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. However, this report is a matter of public record and its distribution is not limited.

Fiscal year finding initially occurred: 2021

Head Start Cluster (93.600)

CRITERIA: In accordance with the Uniform Guidance, the Organization should have internal controls over the compliance requirements for major federal programs.

CONDITION: The Organization's internal controls over compliance for allowable costs were determined to be ineffective during the performance of internal control over compliance testing for the major federal program.

CAUSE: The Organization did not adhere to their established controls and procedures over allowable costs.

EFFECT: The Organization may have included costs that were not allowable in their cost of assistance. A sample of 99 transactions totaling \$121,329 was selected for testing. There was one disbursement transaction included a payment for an invoice of another entity that was erroneously submitted by a vendor, which was credited on the subsequent month's invoice. One disbursement transaction that was not properly approved and one transaction was for a period subsequent to the grant year. As a result, the Organization had questioned costs totaling \$3,494 for the payment for services subsequent to the grant year. Our sample was a non-statistical sample.

RECOMMENDATION: The Organization should review their established policies and procedures for effectiveness and ensure all employees adhere to all established procedures. Additionally, management should ensure all costs charged to the program are allowable under the grant guidelines.

MANAGEMENT'S CORRECTIVE ACTION PLAN: United Way of Acadiana hired a new Finance Director in late 2024 who will develop and ensure internal controls for Federal grant programs. Internal controls have been addressed and implemented in 2025 to provide better operational efficiency.
