WHAT IS UNITED WAY OF ACADIANA AND CASA?

Every child deserves a hero in their story, and every family deserves the opportunity to write a brighter story for their future. United Way of Acadiana helps families across our community turn the page toward stability, opportunity, and hope. Through programs like Early Head Start, we support young children during their most important developmental years while empowering parents with the tools and resources they need to build strong foundations for the future.

Alongside United Way of Acadiana, CASA of South Louisiana stands beside children who've experienced abuse or neglect, so they never face their journey alone. Through dedicated volunteer advocates, CASA gives foster children a consistent voice in court and champions their path toward safe, permanent homes. Together, United Way of Acadiana + CASA help children and families move from uncertainty to opportunity, creating stories filled with hope, resilience, and security.

BE THE HERO OF OUR STORY!

Heroes come in many forms! Some lend their voices and time to the tale, while some open doors through sponsorships, donations, and partnerships. Your support of United Way of Acadiana + CASA means taking up the shield for those facing their darkest chapters and lighting the pages ahead. Every contribution helps provide more resources, empowers volunteer advocates, and protects the most vulnerable individuals and families in our community. We invite you to join us in writing the next chapter, together...
